LES 2021 SPONSORSHIP OPPORTUNITIES

Expand your brand, increase your exposure, and promote your thought-leadership with hundreds of senior-level IP, technology transfer and business development professionals and IP owners.

Who is LES?

For more than 50 years, the Licensing Executives Society (LES) has been the leading association for intellectual property, technology, and business development professionals to achieve professional and personal success.

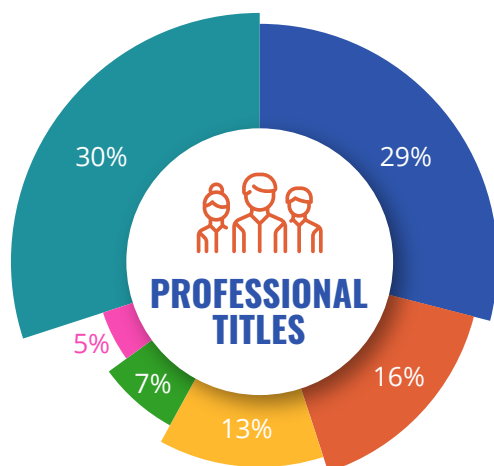

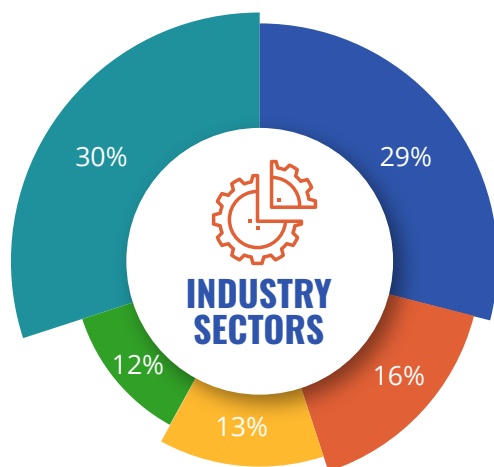

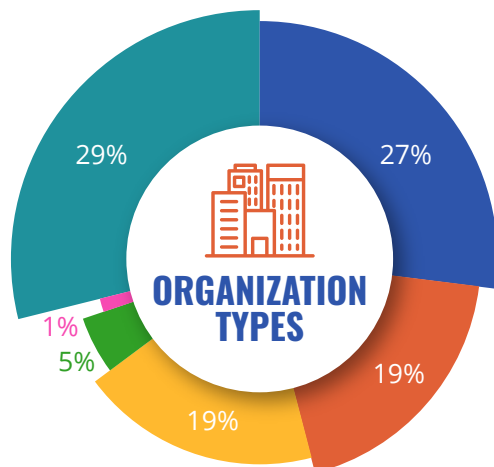

Grow Your Business with LES

The most successful professionals in the intellectual property and licensing community leverage their Licensing Executives Society (LES) involvement into deal-making opportunities.

With more IP licensing executives, the highest-caliber opportunities to connect with them and LES's commitment to you and your business development objectives, you will receive unmatched exposure designed to help you attract and develop crucial relationships with decision-makers. LES represents a highly diverse community of professionals who collaborate across multiple industries and sectors. Leverage the power of our network and connect with members to increase brand awareness, promote thought leadership, reach key prospects, showcase new products and services, and stand out among your competitors.

LES is the global leader in standards development, education, and certification in promoting IP commerce.
