Who is LES?

For more than 50 years, the Licensing Executives Society (LES) has been the leading association for intellectual property and business development professionals to achieve professional and personal success.

Grow Your Business with LES

The most successful professionals in the intellectual property and licensing community leverage their Licensing Executives Society (LES) involvement into deal-making opportunities.

With more opportunities to connect with the highest-caliber intellectual property (IP) and licensing professionals, LES's commitment to you and your business development objectives, is unmatched. The exposure to decision makers, who promote thought leadership in the IP and licensing community, is designed to help you develop crucial relationships. Our Members represent a highly diverse community of experts, who collaborate within and across multiple industry sectors. Leverage the power of LES's network and connect with members worldwide to increase your brand awareness, reach key prospects, showcase new products and services, and stand out among your competitors.

LES is the global leader in IP, licensing, and intellectual capital management standards, with two approved ANSI standards available and ongoing work on others. LES's educational offerings include extensive licensing professional development opportunities.
